

**DDI Chrono**

DDI #02456-85  
10 May 1985

NOTE TO: Helene Boatner  
Director, MPS

FROM : Deputy Director for Intelligence

SUBJECT: Advanced Analyst Development Program

Please have someone inform me why, if AADP is competitive, others' proposals were held up while one was sent back to be redone; if the program is not competitive, why were the other proposals held up at all? And why such inordinate delays in processing the proposals?

*Rg.*  
Robert M. Gates
